A yellow spiral-bound notebook is shown from a top-down perspective. The notebook is open, revealing a single page with a yellow cover. In the center of the page, the year "2003" is written in a large, blue, hand-drawn font. The spiral binding, consisting of a series of metal or plastic loops, is visible along the left edge of the notebook. The background is a solid, light yellow color, matching the notebook's cover.

Band's High Hopes

"Since August 1, the Spirit of Sanger High School Band has been hard at work to prepare their Riverdance Show for the UIL Marching Contest. They worked all the way through summer band, right up until school started and have worked diligently since then to "clean" their show.

This year, the band has welcomed a new band director, Mr. Wiggins, who has put forth much effort to get the band to its highest performance level.

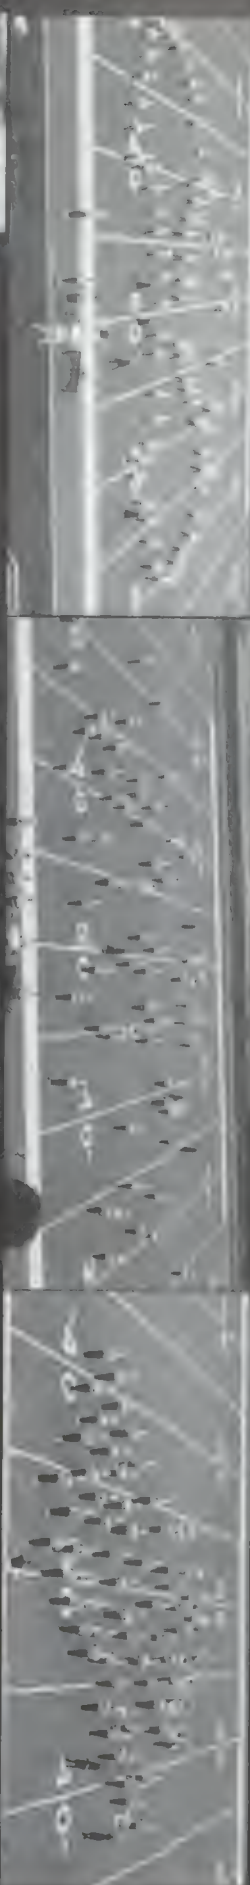

The band had high hopes of attending the State Marching Contest this year, but did not quite reach this goal.

Mr. Wiggins worked closely with the Drum Major, Houston Vinson, student teacher, Chuck Kraus, and middle school band director, Mary Thornburg to "raise the bar" and reach higher expectations. Due to harsh weather conditions, new leaders, and many other things, they had to overcome many "ob-stacles," as Mr. Wiggins would say.

The band members believe they marched their hardest show this year and did a great job of it."

"Way to go band! Good luck in all you do!"

Quote

If one word could sum up this season, it would be "almost." We had a lot of really close games and we were just a few plays away from winning a lot of them. The team came together a lot this season, and even though we had a lot of adversity, we learned a lot.

-Seb Clements-

I believe that this team overcame more adversity than any team that I have ever dealt with. They never quit. I have no doubt that they will be successful in whatever they do in life.

"Cross Country is a sport that requires a lot of physical and mental toughness. That and a very good alarm clock for all of those early mornings. These young men and women took on a challenge that not many people are willing to do or even understand. I look forward to building on this season's accomplishments and taking that next step towards the State Cross Country Meet next season."
